### **COVID-19 Protocols**

DermalEssence will provide each customer with the appropriate PPE and handwashing/sanitizing gel facilities.

DermalEssence will be a CASHLESS Salon, all payments will be made via our FRESHA Booking system, therefore you must confirm your appointment on FRESHA to guarantee your slot. If not confirmed, we will have to cancel and give it to another customer due to the limited amount of appointments there will be during the day.

You will be asked a Covid-19 Health Questionnaire before your appointment to ensure you do not pose a risk to the staff or other clients at DermalEssence. If you are unwell or have been in contact with someone who has Covid-19 in the last 14 days, we will re-schedule your appointment

ALL appointments will have to be pre-booked. We cannot accept walk-in appointments due to health screening needed and social distancing measures to be upheld.

We ask you to come to your appointments on your own and to bring as little as possible with you in relation to bags etc to help us with our post-appointment cleaning and cross-contamination procedures

### **Cancellation policy**

DermalEssence have a strict cancellation policy, whereby any appointment cancelled within 24 hours of its start time will be charged the price of the treatment. This is due to the fact that the appointment slot will be difficult to fill at such short notice and as such there would be a financial loss to the business. Where a deposit has been taken, DermalEssence will either hold this for you for a future appointment or return it to you less card processing fees.

### **Children in Salon**

We kindly ask you to not bring your children into the Salon. This is for the benefit of other clients and also for the health and safety of your children.
